

Gramanns

I wanted to take a moment to let you know how pleased we were with the work of your GRAMANNS team, especially Sylvia, in the detailed preparation and organisation of our BRIXMIS tour. Sylvia was so much fun to work with and she planned a great event for our guests. She was extremely flexible and cooperative with the many changes we made and always said yes with a smile! As we got closer to the event, her attention to detail was impressive and consequently, on the day, everything turned out exactly as we had hoped. Her knowledge of Leipzig and the surrounding area, of German culture and the things our guests were looking for made for a perfect trip.

The GRAMANNS team that we met were impressive, competent, with an eye for detail, approachable and very friendly.

We look forward to working with Sylvia and her team when we bring our next group to Germany.
